Boeing BOLD Scholarship Application
Boeing Opportunity for Leadership Development (BOLD)
College of Arts & Sciences

Project Description and Basic Information:

The Boeing Company is committed to preparing leaders for a global workforce. Saint Louis University offers an ideal partnership opportunity by providing a multidisciplinary and holistic education which is not only recognized for technical excellence, but is also highly regarded for its legendary preparation of the whole person. Therefore, this scholarship presents the Boeing Company with a unique opportunity to select and mentor those students majoring in business, engineering, computer science and/or mathematics at Saint Louis University and with the best leadership potential. Selected students will receive a scholarship of $4,785 for the 2017-18 academic year.

Award Criteria for Mathematics or Computer Science Majors:

To be eligible for the award from Arts & Sciences, students must meet all of the following criteria:
1. Be a sophomore, junior (as of the beginning of the fall 2017 semester) or senior **not** graduating prior to May 2019 with a GPA of 3.2 or above.
2. Have a primary major in Mathematics or Computer Science, and a secondary major, minor, or certificate in one of Mathematics, Computer Science, Business, or Engineering.
3. Potential to make a significant contribution to the University's goal of providing a culturally, professionally, and globally diverse learning environment.

Preference will be given to United States citizens

Please answer the following:

Name: _____   Student ID #: _____

Anticipated Graduation: _____   Cumulative GPA: _____

SLU email: _____   Local phone#: _____

Primary major: _____   Secondary major/minor/certificate: _____

Are you currently or have you ever been employed by Boeing?   YES   NO

Have you previously received the Boeing BOLD scholarship?   YES   NO

Are you a U.S. citizen or permanent resident?   YES   NO

By checking this box, I agree to participate in the BOLD Scholar event at Boeing in the spring semester, if I am selected to receive the scholarship.   ☐

A goal of the BOLD program is to contribute to Saint Louis University's goal of providing a culturally, professionally, and globally diverse learning environment. **Please explain or given an example of how you might advance this goal if awarded the BOLD scholarship. *(Attach your essay on an additional sheet.)***

*Students with primary major in Arts & Science should return completed application to either Dr. Bryan Clair (Mathematics/Statistics) or Dr. Michael Goldwasser (Computer Science) by **Monday, October 2, 2017, 5 p.m.** in Ritter 103. For questions, contact Dr. Clair at bryan.clair@slu.edu or Dr. Goldwasser at michael.goldwasser@slu.edu or call 977.2444.*
